### Information for musicians interested in booking with Crawmama'S:

We book twice a year, in February and September. If you would like to be considered, you need to send your contact information as well as either a digital format of a song or a link to a website where your work is recorded. Also, a sample set list of at least 25 songs. You can submit this by e-mail to [kathryn1807@aol.com](mailto:kathryn1807@aol.com) or thru Crawmama'S facebook page. If after listening to your music and reviewing your song list, we feel that your style is a good fit for Crawmama'S, we will contact you using the contact information you submitted. We will contact you in February and September. Incomplete information will not be considered. If you have already been booked by Crawmama'S there is no need to resubmitted information. You will automatically be included. We give the musicians that have been playing for us the longest the first chance for dates and then beginning working the rest of the list.

For acoustic shows (1 to 2 people) we pay \$150.00 per night.

For full bands (regardless of size) we pay \$400.00 per night.

We book acoustic shows for one night a weekend and full bands for both nights of a weekend. We do this to try and get as many people on our book as possible.

\*\*\* For September thru January bookings: we have to be mindful of the college football schedules and often that means that we do not book any entertainment on Saturday nights when Alabama or Auburn are playing a televised game.
